

Seed & Plant Swap

April 24
9am-1pm

||| **FONDULAC**
District Library

*Come by the library
and pick up some
seeds or plants for
your garden this
year!!*

This is a combined effort with the East Peoria Green Team to address the drastically declining Monarch butterfly population.

We will have a special packet of milkweed, pollinator seeds, and information on the Monarch butterfly.

If you have excess seeds or plants you'd like to donate, please bring them by the library by Friday the 23rd and drop them off.
